DEDICATION

In admiration of his character; in gratitude for his inspiration, and in appreciation for his friendship to the undergraduates at Maryland, this, the 1930-31 "Y" Handbook is dedicated to

DR. WILLIAM B. KEMP

FOREWORD

To you, the class of 1934, we present this book, hoping that in some meager way it may help you to become acquainted with Maryland, it's history, traditions, and opportunities. We congratulate you on your selection of Maryland as your Alma Mater and sincerely trust that you will live up to the honor and the ideals of those that have gone before you.

Since this book is intended mainly as a guide to you in helping you to become acclimated with Maryland during your first few weeks here, we have attempted to meet this requirement primarily in the editing of this book. Special emphasis has been laid on those things with which you must become familiar immediately if you wish to fit into the life at Maryland.

A book such as this should, however, be of use to the student body at large, and with this end in view we have also included such features as we believe to be of value to any student at all times of the year.

GREETINGS FROM THE PRESIDENT

To the Students of the
University of Maryland,

Through the handbook issued by the Christian Association I am pleased to extend greetings to new students in the University of Maryland.

We always look forward with interest and pleasure to the arrival of new students. Every year as the upper classes go out we realize that we are separating from good friends, and every year we start new friendships with the younger members of the community.

We believe that any student who is capable of entering a university should be capable also of completing his or her course in a creditable way. We know what it means to be overwhelmed by new duties and strange surroundings, and what homesickness means, and what some temporary indisposition means. We know how these may discourage one, but we know how students many times have overcome these handicaps by their determination and courage.

We hope that you will divide your time fairly between studying and wholesome recreation, not forgetting your spiritual development. We hope you will start the year with a determination to do the work each day the best you can.

Please remember that all members of the staff want to help you in every way possible.

Sincerely yours,

R. A. Pearson, *President.*

Dr. Raymond Pearson
President of the University of Maryland

GREETINGS FROM DEAN OF WOMEN

To those of you who have returned to carry on work already begun and to those new students, coming here for the first time, greetings and a hearty and cordial welcome. Friendship, sympathy and understanding await you here and the ever-present, ever-intangible Maryland spirit is waiting to receive you and waiting in turn for you to make it your own. This spirit instructs you to do something worth while during your college career, in college life as well as academically. For, the one who lives most fully during her four years in college takes part in the various activities on the campus. However, you must have a sense of values and choose wisely from the great number of organizations. Do not rush headlong into too many. Do a few things well rather than many in a haphazard fashion. We offer to you our ideals of Maryland, our traditions and customs and ask you to help us to perpetuate them.

Sincerely yours,

ADELE H. STAMP, *Dean of Women.*

GREETINGS FROM THE GENERAL SECRETARY

I extend greetings to you all—old students as well as new!

It is a pleasure to be with you this year. I come not to criticize or condemn, but to be as true a friend as possible to as many as possible, and to work with you for the achievement of whatever appears highest and finest in living.

It is your work. Whatever we do, it will be the result of united effort. And each man can have his part, if he will.

Sincerely,
VIRGIL LOWDER.

VIRGIL E. LOWDER
General Secretary

THE MARYLAND CHRISTIAN ASSOCIATION

There is a new venture on our campus this year. As the request of a number of students, some of them heads of prominent organizations on the campus, the Y. M. and Y. W. C. A. have united in the new Maryland Christian Association, and Mr. Virgil Lowder, of Yale University, has been secured as General Secretary.

The Association is designed to include students of all faiths and denominations. It will work in close harmony with the Student Pastors, and with the denominational clubs. Plans for the year are to be discussed at a pre-school Retreat, to be held September 13-15, at Sylvan Shores, on South River.

The Association will seek to unite in a common fellowship all those who are interested in trying to find life at its best. It will endeavor to bring to the campus speakers of note and ability, and in every way to stimulate and improve the intellectual, moral and spiritual life of the campus.

HISTORIC SKETCH

The history of the present University of Maryland practically combines the history of two institutions. It begins with the chartering of the College of Medicine of Maryland in Baltimore in 1807, which graduated its first class in 1810. In 1812 the institution was empowered to annex other departments and was by the same act constituted a University by name and under the title of the University of Maryland.

For more than a century the University of Maryland stood almost as organized in 1812, until an act of the Legislature in 1920 merged it with the Maryland State College and changed the name of the Maryland State College to the University of Maryland.

The Maryland State College first was chartered in 1856 under the name of the Maryland Agricultural College, the second agricultural college in the Western Hemisphere. In 1862 Congress passed the Land Grant Act and the then Maryland Agricultural College was named the beneficiary of the grant in Maryland. Thus, the college became, at least in part, a State institution. In the fall of 1914 its control was taken over entirely by the State. In 1916 the Legislature granted a new charter to the College and made it the Maryland State College.

THE BALTIMORE BRANCH

The group of buildings located at the corner of Lombard and Greene Streets provides the available housing for the Baltimore division of the University. There are no grounds other than the sites of these buildings. The group comprises the original Medical School building erected in 1814, the University Hospital, the Law School building, and the School of Pharmacy which is located at 6 and 8 South Greene Street, in close proximity to the other three buildings. The enrollment in the Baltimore division is close to sixteen hundred, which is about three hundred more than the undergraduate enrollment at College Park. The total number of students in the University of Maryland, including the Summer school and the Graduate school is thirty-seven hundred.

The School of Medicine of the University of Maryland is one of the oldest foundations for medical education in America, ranking fifth in point of age among the medical colleges of the United States. In the school building at Lombard and Greene streets in Baltimore was founded one of the first medical libraries and the first medical college library in America.

Here for the first time in America, dissecting was made a compulsory part of the curriculum; here instruction in Dentistry was first given (1837), and here was first installed independent chairs for the teaching of diseases of women and children (1867), and of eye and ear diseases (1873).

The Baltimore College of Dental Surgery was chartered by the Maryland Legislature February 1, 1840. It was the first institution ever organized to offer instruction in the art and science of dentistry. It has continued with an unbroken record and remains the oldest dental school in the world.

REGULATION OF STUDENT ACTIVITIES

Association of students in organized bodies, for the purpose of carrying on voluntary student activities in orderly and productive ways, is under the supervision of the Committee on Stuent activities, except those which are controlled by a special board or faculty committee, are under the supervision of the Committee on Student Affairs, subject to the approval of the President. Such groups are forced only with the consent of the Committee on Student Affairs and the approval of the President. Without such consent and approval no student organization which in any way represents the University before the public, or which purports to be a University organization or organization of University students, may use the name of the University in connection with its own name, or in connection with its members as students.

Eligibility to Represent the University

Only students in good standing are eligible to represent the University in extra-curricular contests. No student while on probation may represent the University in such events as athletic contests, glee club concerts, dramatic performances, and debates.

Discipline

In the government of the University, the President and faculty rely chiefly upon the sense of responsibility of the students. The student who pursues his studies diligently, attends classes regularly, lives honorably and maintains good behavior, meets this responsibility. In the interest of the general welfare of the University, those who fail to maintain these standards are eliminated. Students are under the direct supervision of the University only when on the campus, but they are responsible to the University for their conduct wherever they may be

Registration

1. Students should report to the Dean of the College in which they are registered, where they will receive a course card. New students must present a matriculation card. If this card has not been received by mail, arrangements for its issuance must be made in the Office of the Registrar, prior to reporting to the Dean.

2. The course card, properly made out and approved by the Dean, and a registration card obtained in the Office of the Registrar, will be presented at Window One in the Office of the Registrar and a bill for the semester's expenses will be issued.

3. This bill, together with the course card, will be taken to the Cashier's Office, where fees are paid and where the Cashier certifies upon the course card that payment has been made.

4. The course card is then taken to the Sectioning Committee, Room T-211, Administration Building, where section assignments are made.

5. About three hours later the student may obtain class cards in the Office of the Registrar, Window Two.

6. The student places his name, his college, and the date on the class cards and presents at the first meeting of each class the appropriate class card. Students are not admitted to classes without class cards. Instructors will see that this rule is enforced.

7. Within seven days after the opening of the semester, each student must file in the Office of the Registrar, a schedule of his classes. A fee of one dollar is imposed for failure to do this.

8. Students, who for adequate reasons, are more than ten days late in registering must secure permission for entrance into courses from the instructors in charge of the course. Such permission if given must be indicated on the course card. A fee of from $3.00 to $9.00 is imposed for late registration.

9. Any change of course is made only on written permission from the Dean involved and is subject to a fee of one dollar after the first week of the semtster. After securing such permission from the Dean, the student must present the same to the Registrar at once, who, in turn, issues the student a class card for the course he is entering and withdrawal card is sent to the instructor in charge of the course from which the student is withdrawing. Unless this is done, no credit will be given for the new course, and a failure will be recorded for the course dropped. In general, withdrawal from courses other than elective, will not be granted after the first six weeks of the course.

10. A student, who desires to transfer from one college to another must petition the Dean of the college from which he wishes to withdraw on the regular form obtained from the Registrar. The transfer is effected when the blank properly approved is filed in the Office of the Registrar.

Examinations and Marks

11. Examinations at the end of each semester complete the studies pursued to that point.

12. The following grade symbols are used:
A, B, C, and *D*—Passing.
E—Condition.
F—Failure.
I—Incomplete.

13. Grade *A* denotes superior scholarship; grade *B*, good scholarship; grade *C*, fair schol-

arship; and grade *D*, poor but passing scholarship.

14. A student who receives the grade of *D* in more than one-fourth of the credits required for graduation must take additional courses or repeat courses until he has the required number of credits for a degree, three fourths of which carry a grade above *D*.

15. A student with a mark of *E* is conditioned. The grade *E* indicates that though a student has not failed in a course, has not presented sufficient evidence to pass; in the opinion of the instructor his record in the course has been sufficiently good to justify the presumption that he may secure a passing grade by re-examination or by additional work without repeating the course. The grade *E* cannot be raised to a higher grade than *D*.

16. A student with a mark of *F* has failed in the course. In case of failure in a required course a student must repeat the course. He is required to enroll in that subject again the first time it is offered, if possible.

17. In case a condition or failure is incurred in an elective subject the student may be permitted to substitute only upon recommendation of the head of the Department in which the student is majoring and approval of the student's Dean.

18. The mark of *I* (incomplete) is given only to those students who have a proper excuse for not completing all the requirements of a course. The mark of *I* is not used to signify work of inferior quality. In case where this grade is given, the students must complete the work assigned by the instructor by the end of the first semester in which that subject is again offered, or the mark becomes *F*.

19. Work of grade "D," or of any passing grade, cannot be raised to a higher grade except by repeating the course. A student who repeats

a course for which he has received credit for work done at the University or elsewhere, must meet all the requirements of the course, including regular attendance, laboratory work and examinations. His final grade will be substituted for the grade already recorded, but he will not receive any additional credit for the course.

20. A student must arrange with his instructors at the beginning of a semester for the removal of a condition received in the previous semester. A fee of $1.00 will be charged for each regular condition examination. No instructor will give a condition examination until a student presents a receipt showing the fee has been paid. Following each condition examination the instructor will report the results to the Registrar.

21. A condition not removed within the succeeding semester becomes a failure.

22. A student transferring to another college will consult with his new Dean regarding the adjustment of his record. A record of this adjustment must be filed in the Registrar's Office.

Absences

23. A student is expected to attend punctually each class and laboratory exercise in each course.

24. In case of extended illness which prevents the attendance of a student at his classes he should promptly notify his Dean.

25. In case of absence 24 hours before or after a holiday, a student will be penalized by the payment of a special fee of three dollars for each course cut. Instructors will report such absences immediately to the office of the Registrar.

Students desiring to be excused from classes

before and after holidays must make application within one week before such holiday. In exceptional cases, such as sickness or death in the family, application for an excuse must be made within one week after the student returns. No excuse for an absence before or after a holiday will be granted after the periods specified.

Probations and Delinquencies

26. If a student receives a mark of failure (*F*) in fifty per cent or more of the semester hours for which he is registered he is automatically dropped from the rolls of the University.

27. A student who does not make a passing mark in at least eight hours of work in which he is enrolled for a given semester, may not continue for the next semester without the permission of his Dean. Where such permission is given the student is on probation, and remains on probation until his deficiencies are removed. A notice of his probationary status will be mailed to the student's parent or guardian.

28. A student while on probation shall not represent the University in any extra-curricular activity such as: participation in athletic contests, the Glee Club, dramatics, debating teams, etc.

29. While on probation a student is required to report weekly to his Dean or faculty advisor with regard to his probationary status.

30. The Dean shall recommend to the President the withdrawal of any student who, in the opinion of his college faculty, is deemed undesirable, or who continues to do unsatisfactory work.

31. Any student who has been dropped from the University or has withdrawn in order to

avoid being dropped, and who is subsequently readmitted, is not eligible to represent the University on any team, club, or association, until he has been in the University for a period of one semester from the date of his return and has satisfied the regular conditions of eligibility.

Withdrawal from the University

32. A student who desires to withdraw from the University must obtain the permission of his Dean on the regular form obtained from the Registrar and must have filled out a clearance slip. After these forms have been filled out they must be filed in the Office of the Registrar. A student who withdraws without following this procedure forfeits all claims for reimbursements, and is not entitled to a statement of honorable dismissal.

HANDLING OF FINANCES OF STUDENT ORGANIZATIONS

A committee on associated student organizations and activities, appointed by the Council of Administration, comprised of members of the faculty and staff, acts as advisers to the various organizations and as auditors of accounts.

Any organization or activity handling $200.00 or more during the year comes under the supervision of the committee, and is subject to all rules and regulations laid down by it.

Each organization has its own business manager, secretary and treasurer, who are required to submit reports of all transactions to the chairman of the committee as he may call for them.

No expenditures exceeding $10.00 shall be made without the approval of the chairman of the committee, requests for such expenditures to be submitted to him with a statement as to funds on hand, or in sight, to cover the expenditure.

A simple and uniform system of bookkeeping is employed by each organization. These books are open for inspection by the committee on student organizations and activities at any time, and submitted to it at the close of each semester for audit. (A representative from the University business office assists in this audit.)

Written contracts are made by all organizations for transactions involving $25.00 or more, and copies of these contracts are submitted to the chairman of the committee for approval before they are signed.

Officers of all organizations furnish bonds for the faithful performance of their duties. Such bonds must be approved by the committee, and kept on file in the University business office.

At the close of each year, financial statements, after being audited by the committee, showing all receipts and expenditures for the year are published in the DIAMONDBACK.

GOVERNMENT

Student Government

Last year the students of the University adopted a representative form of government. It operates under a constitution. Its officers are a President, Vice-President, Secretary, and Treasurer. It is modeled after the National Government, being composed of an upper and a lower house. The upper house is known as the Executive Council, and the lower house is the General Congress.

The Congress meets the second week of each month. All students are welcome to attend, but only the representatives are allowed to vote. A General Assembly is held the second week of May each year for the installation of new officers and for a report of the year's work. The Students Executive Council, with the aid of the Committee on Student Affairs, acting as an advisory board to the Council, performs the executive duties incident to managing student affairs. The constitution is printed in this book.

Women Student Government Association

Women Student Government Association is an organization composed of all the women students, for the management of all affairs concerning the women students. It operates under a constitution. Its officers are a President, Vice-President, Secretary, and an Executive Council. Its Executive Council has the advisory co-operation of the Dean of Women.

Women's Athletic Association

Last year marked the beginnings of a new era for the Women's Athletic Association, which was organized in the fall of 1924 by a small group of girls who realized the need of an association to sponsor and supervise the women's athletics of the University. The purpose of the organization when founded was to supervise girls' athletics, to promote more and better sports, to encourage good sportsmanship; and to provide an incentive by presenting letters to individuals and trophies to winning teams.

Rifle and basketball were the first sports which received the attention of the Association. Maryland is especially proud of its rifle team and of the fact that for the last four consecutive years it has turned out the women's national champion. Besides the sports already popular, hockey, volley ball, baseball, and soccer were introduced last year.

With these new attractions and a stronger organization of the older sports, a point system has been developed to act as a basis for marking the achievement of each participant in the sports. Miss Virginia Peasley, Maryland's first women's athletic director, has done a great deal toward furthering women's athletics.

Last year the season was closed with the annual banquet at which the awards of the year were given to the Rifle Team, and the outstanding girl athletes in all sports.

FRESHMAN PROCEDURE

Freshman registration will take place Tuesday, September 16, beginning at 9 A. M. All freshmen are expected to register on this day. Thursday, September 18, is reserved for registrating the students of the three upper classes, and freshmen will not be registered on this day.

Dormitories will be ready for occupancy by freshmen Monday, September 15, and the dining hall will be ready to serve dinner to freshmen Monday evening at 5.30.

A special program is planned covering the time between registration day, September 16, and the beginning of the instruction period, Friday, September 19, the object of which is to complete the organization of freshmen so that they may begin their regular work promptly and effectively on September 19. This program includes classification of all freshmen students, medical examinations, psychological examinations, instruction in regard to the departmental and campus facilities and advisory conferences, conducted by the faculties of the several colleges for the students registered in those departments.

TIPS TO FRESHMEN

First of all, remember that you are a freshman. It is apparent at all times, and when you attempt to hide it the result is as prominent as a sore thumb.

Do not imagine that you are lowering yourself by observing the Freshman Regulations. They are to impress upon you the idea that you are no longer a high school senior. You are beginning again, and as such, you must start "on the ground floor." By disregarding the rules, you are not being unique, or admired for your spirit of independence. You are merely laying the foundation for trouble with the sophomores. It is considered a mark of good class spirit, not servility, to act in accordance with freshman tradition.

Get the speaking habit. A habitual cheery greeting to everyone on the campus will do more toward establishing your popularity than any other single act on your part.

If you were a leader in high school, don't advertise it here. In all probability it is known already. Conversely, if you took little part in student affairs in your prep school don't be discouraged. Everyone is given plenty of opportunity at Maryland. There is at least one activity here that is suited to your tastes and ability; find it and stick to it. Also, remember that everyone cannot be a star athlete. Do not skip around from one activity to another needlessly, but on the other hand, do not waste time on one for which you find yourself unqualified.

If you are living away from home don't forget that the folks like to receive a letter, now and then. Establish a certain day for doing this, and then let nothing interfere.

Remember that you are your own master now. You have reached the age when you can differentiate between right and wrong. Your conduct

on and away from the campus reflects upon the institution. In a large measure you have the good reputation of the University of Maryland in your hands. It remains for you to prove that this trust is not misplaced.

"By your works you shall be known." Nowhere is this more true than on the university campus. Here at Maryland you cannot bask in the reflected glory of a prominent brother, father or other relative. Opportunities are yours; make the most of them.

Remember that when you enter Maryland you are considered a man. You can do as you please about your work; nobody will make you do it. Be honest with yourself and always keep clearly in mind the fact that you are here for a life purpose.

Don't get "wild" and waste your money; remember that there is a mother or a father at home who believes in you; be a man.

Don't fail to work hard; it does not pay to get behind with your work.

Don't study on Sunday; you do not gain a thing by it; you absolutely need one rest day in every seven; don't loaf so much on week days, and then you will not have to study on Sunday.

Don't think that profanity, cigarettes and drinking "booze" make a true college man.

You will be judged more at Maryland by what you do than by what you say.

Ask for advice from a faculty member; remember that he is your friend.

Don't be afraid to say "No" and stick to it. There will always be company with you at Maryland.

You will never "find" time for anything—if you want time you must make it.

Don't pile up debts—they'll come fast enough.

Come to the Young Men's Christian Association and let the "Y" serve you.

Don't cut out athletics. Get into some form of them and benefit yourself.

Look up your pastor as soon as possible.

Don't cut out the literary society. Join it and get to work.

Join a Bible class. This is one of the most important things to join as soon as you reach Maryland. You will like the discussions.

Don't spend all your time with a few intimate friends, but get into sympathy with many of the fellows.

Stick with that "bulldog tenacity" to anything good you undertake.

Do all the good you can, but keep the knowledge of it under your hat.

Do things in the right proportion. Don't be a "grind."

Be a mixer and a credit to the college.

Take part in student activities; action speaks louder than words.

Finally, be warned against trying to revolutionize the school in your first year. If you do not approve of the regulations the trouble is in your own disposition. They have not proved injurious to hundreds of students who have preceded you. It is your traditional duty to obey the rules during your freshman period, before you are in a position to recommend changes.

TRADITIONS

In the realization that the incoming freshmen do not understand the traditions established by previous classes, it is the purpose of these rules to assist the freshman in finding his place among the students, to instruct him in the spirit of the student body, and to teach him a fundamental lesson—discipline.

Freshmen are required to abide strictly by the following rules, which will be enforced by the student body through the Sophomore Committee on Freshman Regulations.

Freshman Regulations

The following is taken from the Constitution of the Student Government Association:

"Article V, Freshman Regulations. Section I. The Freshman shall be governed by a standard set of regulations drawn up by the Executive Council. Section II. These regulations shall be enforced by the entire student body through the Sophomore Committee on Freshman Regulations; that is, penalties are imposed by the Committee upon the complaint of an Upper Classman of the infraction of Freshman Regulations."

1. Freshmen must wear rat caps at all times when on campus.

2. Freshmen must not smoke on the campus.

3. Freshmen must keep hands out of their pockets.

4. Freshmen must not cut across campus and must use only cinder and cement paths.

5. Freshmen must refrain from wearing school insignia of any kind unless earned at this school.

6. Freshmen must enter and leave Administration Building by basement doors and must not loiter around front of the buildings.

7. Freshmen must not sit on stone wall along Washington-Baltimore Boulevard.

8. Freshmen must speak cheerfully to all members of the faculty, upper classmen, and members of their own class. The form of address shall be: for one person, "Sir"; for a number, "Gentlemen."

9. Freshmen must run all errands assigned to them by upper classmen and do all work assigned to them by Sophomore Committee on Freshmen Regulations.

10. Freshmen must work on athletic field when requested.

11. Freshmen must attend all meetings of the Assembly (occupying front rows) and all cheer practices, and must learn all college yells and songs.

12. Freshmen must attend all games in a compact cheering section (no dates with girls at games).

13. Freshmen must work in DIAMONDBACK office each Tuesday throughout the year.

14. Freshmen must at all times carry an ample supply of matches.

15. Freshmen must conduct themselves in a gentleman-like manner at all times on and around the campus.

Dining Hall Courtesies

1. Freshmen must line up in twos on lower steps of dining hall.

2. Freshmen must fold their arms during announcements.

SONGS AND YELLS

ALMA MATER

(Maryland! My Maryland!)

Thy sons and daughters throng thy door,
Maryland! My Maryland!
Maryland! oh Maryland!
Their hearts and hopes they bring to thee,
And place them in thy custody,
Proud hearts that pledge their love for thee:—
They come from mountain, farm and shore,
Maryland University!

Go forth, brave youth, throughout the state:
Maryland! My Maryland!
And by your actions, show her great:
Maryland! Our Maryland!
Thy Alma Mater's name and fame,
Oh keep alive her holy flame,
Until all hearts as one exclaim,
Maryland! My Maryland!

Cheer, three times cheer, and one cheer more
For Maryland! Dear Maryland!
Send forth that cry from hill to shore:—
Maryland University!
Fair Mother of our brightest dreams,
Blest giver of life's precious things,
To thee each heart its service brings:—
Maryland! My Maryland!

MY MARYLAND

The despot's heel is on thy shore,
Maryland! My Maryland!
His torch is at thy temple door,
Maryland! My Maryland!
Avenge the patriotic gore,
That flecked the streets of Baltimore,
And be the battle queen of yore,
Maryland! My Maryland!

Thou wilt not cower in the dust,
Maryland! My Maryland!
Thy gleaming sword shall never rust,
Maryland! My Maryland!
Remember Carroll's sacred trust,
Remember Howard's war-like thrust,
And all the slumb'rers with the just,
Maryland! My Maryland!

Maryland

In the very heart of Maryland,
In the heart of every Maryland man,
There's a spirit so endearing
It will win your heart and hand.
For she doth hold sway,
She will win the day,
And her glorious men will ever win the fray.

Chorus

Then it's Hurrah! Hurrah! for Maryland.
Then's it Hurrah! Hurrah for U. of M.
With her banners ever streaming high,
She will always win or die,
Never forget the glories of the past,
Carry on triumphant to the last,
For we love, we love Old Maryland,
Hurrah! Hurrah! Hurrah!

Who owns this team?
Who owns this team?
Who owns this team? the people say.
Why, we own this team.
Sure, we own this team.
M-A-R-Y—L-A-N-D—HURRAH!

Who'll win this game?
Who'll win this game?
Who'll win this game? the people say.
Why, we'll win this game,
Sure, we'll win this game,
M-A-R-Y—L-A N-D—HURRAH!

Who owns this town?
Who owns this town?
Who owns this town? the people say.
Why, we own this town,
Sure, we own this town.
M-A-R-Y—L-A N-D—HURRAH!

U. of M.

(Tune, Caisson Song)

Keep the ball away from them,
Keep that pigskin a-rolling along!
Up the field, down the field,
Not an inch of ground we'll yield,
Keep that pigskin a-rolling along!
Then it's Whiff! Wham! Whack!
Hear that Maryland quarterback
Shout out his signals loud and strong!
Where'er you go, you will always know
That the pigskin is rolling along,
(Shouted) Maryland! Maryland!
Keep that pigskin a-rolling along!

Sons of Maryland

(Tune, Sons of America)

Sons of the Gold,
Sons of the Black,
Fight, No spirit lack.
Your Alma Mater
Needs you today.
To help win the fray.
Shoulder to shoulder,
Back to back,
We'll fight together
For the Gold and Black.
Fair Sons and Daughters
Of Maryland,
Upon you all vict'ries stand.

Chorus

Sons of Maryland,
Old Maryland needs you!
Stands by your colors, boys,
And to them e'er be true!
Fight for old Maryland,
Old Liners! Stand,
Defenders of the Black and Gold
Throughout this land.
Team! Team! Team!

Here's to Old U. of M.

Here's to old U. of M.
We're out to win again,
Come, give a rousing cheer,
And press on to Victory,
For we're out to win this fray,
We'll show ———— how to play,
For our boys will fight to the end
For U. of M.

Victory Song

Down on the field they're fighting,
Pride of the Black and Gold,
Men, every one of them,
Warriors of U. of M.
Our honor they'll uphold,
On toward the goal they're marching.
It will not take them long,
So, let's give a cheer,
For the men we hold dear,
And sing to them our Victory Song.

Chorus

Maryland, we're all behind you;
Wave high the Black and Gold,
For there is nothing half so glorious
As to see our men victorious;
We's got the team, boys,
We've got the steam, boys,
So keep on fighting, don't give in!
(Shout) M-A-R-Y-L-A-N-D!
(Sing) Maryland will win!

Let us sing to Alma Mater
University of Maryland,
Let us deck her o'er with glory,
With triumph and honor, hand in hand:

University of Maryland,
The college so dear to our hearts,
We'll cheer for the teams which are all so great,
Its praises ring, from State to State;
Along the well-worn trail of victory
Maryland will follow on and on,
And the colors in the lead,
Will be Black and Gold, indeed,
All Hail! to Our Maryland.

WOMEN'S TRADITIONS

In order that the freshman girls may become acquainted with and perpetuate certain traditions, the following list is given:

1. It is the wish of the women of the University of Maryland to help their incoming classmates to become acclimated to college life. For this purpose each one of the new students is adopted by an upper classman as a "little sister." When she arrives on the campus, she is greeted by her "Big Sister," who is ready to advise her about "the ropes."

2. The incoming Freshman Class is expected to obey the "Rabbit Rules" made by the Sophomore Class through the Sophomore Committee on Freshman Regulations.

3. Women who excel in scholarship, leadership, citizenship and Christian character are eligible for the Women's Senior Honor Society in their senior year. On Baccalaureate Sunday the outgoing Woman's Senior Honor Society elects the new organization from the Junior Class.

4. Each year the Junior Class holds May Day celebration in honor of the Senior Class, out of which they select by ballot the Queen of the May and her four maids.

5. On Class Day it has become traditional for the Senior girls to have a ceremony, marching around a blazing bonfire and throwing in their old books.

6. The Women's Student Government Association sends each year a delegate to the National Convention.

7. The Woman's Executive Council holds an annual picnic at the end of the year.

INFIRMARY RULES

1. All students paying the fixed University charges, who report at the Infirmary will be given medical attention, infirmary services and medicine, except for special conditions, such as major operations, eye, ear, nose work, etc.

2. Students in need of dispensary service should report at the Infirmary between 8.00 and 10.00 A. M., 12.00 and 1 P. M., and 6.00 and 7.00 P. M.

The University Physician is present at the noon sick call.

3. Students residing in fraternity and sorority houses will be treated by the University Physician the same as students living on the campus.

When practicable, sickness should be reported before 9 A. M., to the University Physician (Phone Berwyn 68), or the Infirmary (Berwyn 85M).

4. Students living at home, with relatives or guardians shall not be entitled to medical attention in their homes unless injured in some form of University activity.

5. Students residing in fraternity, sorority or boarding houses may, upon order of the University Physician, be cared for in the infirmary. Such students shall pay the University an extra charge of $1.00 per day to cover cost of food and service from the Dining Hall.

6. The University Physician will give medical supervision and treatment to employees (but not their families) of the University who work in the kitchen, dining hall, dormitories and dairy.

7. Members of the faculty, clerical force, and students not paying fixed charges shall not be entitled to free treatment or medical attention by the University Physician or nurse, or to have the use of the Infirmary.
